Balls are round and balls are fun,  
Balls are toys for everyone!

Big balls, small balls, red & blue,  
Let me throw from me to you!

Throw it back now, fast & straight,  
Even toss it in a crate.

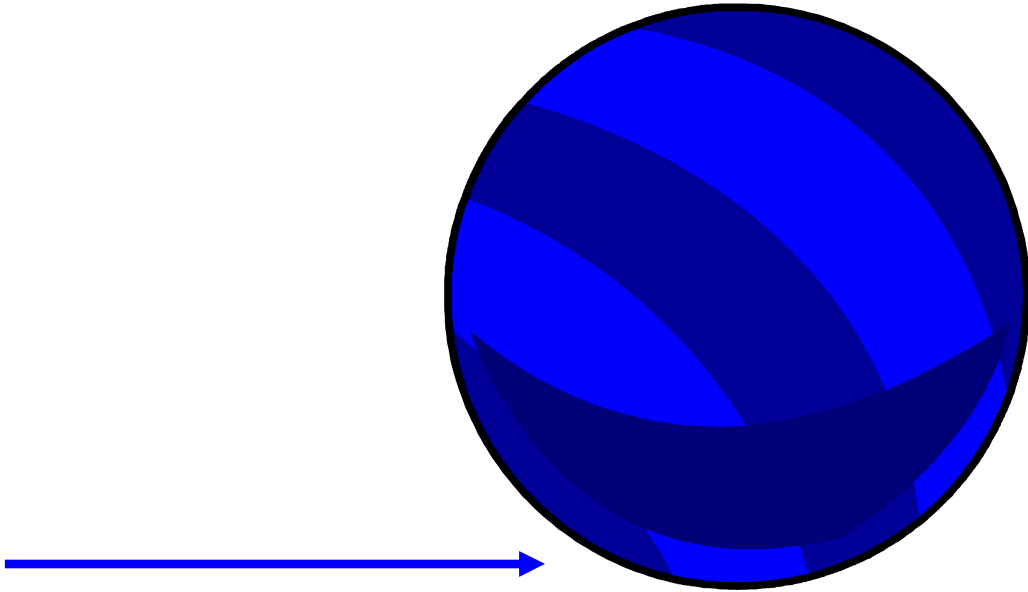

Throwing is not all, you know . . .

You can get down way, way low.

Now roll the ball, just set it free

Now it passed from you to me.

Balls can bounce—fast and slow.

Drop it once, then go, go, go!

Throwing, rolling, bouncy ball,  
You and I have done it all.
